AI Overview

+2

Professor **Moukadamou Bouraima** is a highly regarded educational figure and pedagogy expert specializing in philosophy in Benin. He is well known for his contributions to the national high school philosophy curriculum and for instructing future educators at the École Normale Supérieure (ENS) of Porto-Novo. bu-uac.org +2

If you are looking for resources or pedagogical guidelines involving him, he notably co-authored the official UNESCO Guide pédagogique de philosophie (classe de seconde) alongside Mamah Katchon. His work focuses heavily on contextualizing philosophy education, advocating for the integration of African realities, oral traditions, and local culture into the philosophical teachings across Benin's lycées and colleges. INFRE Bénin +2

Further Exploration

If you are trying to locate him, access specific academic papers, or review the curriculum, consider the following options:

- Consult pedagogical materials on the Ministère des Enseignements Secondaire, Technique et de la Formation Professionnelle portal.
- Explore the repository of the Institut National de Formation et de Recherche en Éducation (INFRE).

Would you like to find information about **specific philosophical concepts** in his curriculum, or do you need **contact information for the philosophy department** at the École Normale Supérieure in Porto-Novo?
